

Lockdown Newsletter – 26th February 2021

Dear Parents and Carers,

I do hope you all managed to take some 'family time' over half term to enable you all to recharge your batteries. I'm sure you are as pleased as we are to know that all children at The Reddings will be returning on Monday 8th March 2021 - that is five more remote learning days!

I shall of course be communicating operational plans once we have read the plethora of guidance and information that has been released by the DfE.

Having had the opportunity to look at a sample of work that has been uploaded to Seesaw it is clear that you have all been very busy and you should be incredibly proud of what you have achieved over the last half term. Should you require a device to support you with remote learning, there are a couple available so please contact us.

I would like to thank you for taking the time to complete the surveys that came out to you this week. The first was reviewing our remote offer and the second had a well-being focus following Children's Mental Health Week. If you do have a few minutes to spare it would be great to gauge your opinions.

It was lovely to open my inbox on Monday and be greeted with 'bottle moments'. Please keep these pictures coming as I hope to have enough to create a second display in the hall. Should you require a template they are available in the yellow drop off / pick up box located in the 'outdoor staff area'.

As you can imagine, we had already mapped out a plan for full return to school and we shall be having a 'Welcome back to School' week. This will give us all the opportunity to reconnect with our friends, our teachers and the expectations and routines at The Reddings. These timetables will be shared with you in advance once we have confirmed some of the activities.

I'm so looking forward to having the school full to the brim with children.

Thank you for your continued support

Miss Prickett

Breakfast club will be available from 8am on the 8th March. Please ensure that you book online via School Comms at least 24 hours before.

The wrap around care (Treetops) at Lime Walk School will be reopening from the 8th March and the online booking system is now open for you to book your child in should you wish to use the club.

Home Learning Stars of the Week

Nursery	Kaitlyn- for challenging yourself when counting backwards and not giving up even when it was a bit tricky, which helped you achieve your goal.
Reception	Maia - for her super writing and trying so hard in everything
Year One	Connie- for super effort with all your home learning.
Year Two	Lucas - for making an excellent effort to improve his reading this week
Year Three	Zayn - For an improvement in his attitude towards learning and in his timetables. He has also been encouraging his friends when they are feeling down.
Year Four	James - for having an excellent attitude towards his learning and for always giving everything a go.
Year Five	Haider - for working hard on all activities and responding to his feedback.
Year Six	Amelia - for excellent pronunciation of Spanish letters and sounds.

Just a reminder of the current term dates:
